## **Snowfall on the Sahara** (Wolf/Wolf/Cole)

your love, like wine  
tasting sweeter to me everyday  
your kiss, divine and it melts the cold inside away  
all of my life I've been waiting for a love like this  
and now that you're here, romance is just a second away  
it's gonna stay

till the snow falls on the Sahara and the sun freezes over  
till the Mojave Red turns into blue  
when my lungs get tired of breathing  
and my heart stops its beating  
then I'll stop loving you

and in the dark when there's none calling out your name  
well I'll hold you so tight  
and I'll whisper to you once again and again

when the snow falls on the Sahara and the sun freezes over  
when the Mojave Red turns into blue  
when the music 's no longer playing and the faithless stop praying  
I'll stop loving you

when the snow falls on the Sahara and the sun freezes over  
when the Mojave Red turns into blue  
when my lungs get tired of breathing  
and my heart stops its beating  
I'll stop loving you

I don't wanna miss a single heartbeat  
sometimes my words get in the way  
but I hear your love just fine, just fine  
and it's gonna take a long time
